

We asked the parents of Stoneraise School, during our March 2018 Parents Evening, "What do you think of your child's work?" These are a selection of some of the fantastic comments:

My child has made great progress this year and he is clearly excelling. So pleased with think. Thank you for all you are doing.

Fantastic, very impressive. Looks like the children are constantly kept interested.

I am so pleased. I didn't realise how well my child has learnt to write sums.

She is improving with her work, especially maths. She loves science and engineering.

My child's work has improved over the last year, especially her handwriting and maths.

I feel that my child is making good progress. He likes to read which we encourage. I am pleased he is improving with maths...

I am really pleased with how my child is doing.

Happy with progress and that she tries her best with everything which is all we can ask!

My child has done so well with all his work. He has worked so hard. I am very impressed with him.

Lovely to see the pride shown in my child's work.

Really impressed with my child's work. Looks like she's learned loads in the last year.

Very good work. A big improvement from last year.

When my child is switched on. Her work is fantastic...She has loads of ability and potential, she just needs to harness it.

Mummy and Daddy are really proud of your progress. Believe in yourself. No test can ever measure how kind, wonderful and loved you are.

Lots of great work and obvious challenge.

I think my child's work is very good. I'm sure she tries hard. I know she struggles with her writing and spelling but she always tries her best.

My child's handwriting is much neater and she tells me that she is enjoying maths more.

Super impressed at how much progress my child has made this year in English and maths. Really pleased with this.

Really improving. Your handwriting is so much neater. Maths is getting much better...You are making us very proud.

My child is more interested in his school work.

Excellent presentation. Very neat handwriting. Mum and Dad are very pleased with all the excellent feedback from your teachers. Keep up the good work. We are very proud of you.

My child's work is brilliant. I'm really pleased with the way that she has progressed so far and I can see she puts a lot of time and effort into her work.

Excellent work. My child appears to be a good all rounder who enjoys school. So good to see. Hope it continues into Secondary. Well done on all of your hard work. Keep up the good work.

We are really happy with our child's work...We are really proud of our child's progress and enthusiasm.

Pleased to see your writing has improved. Well done and keep up the good effort.

Brilliant. Didn't realise how much they do on a daily basis and how advanced it is taught...

Always comes home and talks about the things she's doing.

Relieved to see it can be neat. Self evaluation is interesting and I'm glad he is honest if he finds it hard. Wish he would perhaps be a bit more confident to speak up more.

Very impressed with my child's books and the detailed marking and feedback.

A fabulous improvement in my child's writing.

My child's handwriting has improved massively. We are very impressed with his maths also.

Excellent progress. Coming on nicely. Excellent parents evening. Great work. Keep up the hard work.

It's lovely to see such a big improvement in my child's work in such a short time.

My child has come on leaps and bounds in the last term, especially with reading and writing. He loves the topics too and tells us all about them.

Beautiful work. Can see improvements in writing. Lots of positive teacher comments. Clever, happy boy. Well done.

Really good and great to see how much work my child has done and what he has achieved, particularly with his reading and writing. Good to see that he is also enjoying his school work as well.

My child's writing is lovely. Her story telling is great and she is really good at maths.

My child is coming along so much from last year. Her reading and writing is great.

Top notch teacher! Really good thoughts with science work.

I can see progression in writing, maths and illustration from previous year. Topic book is exciting and stimulating and child loves school and talks about the work she has done.
