

This is what happens at Breakfast Club

8.00 a.m.	Children are welcome to arrive at breakfast club any time after 8 a.m. by the hall door. Parents and carers sign their children into the 'sign in' book and children put their coats and belongings on a chair or the bench.
	Children choose their breakfast from the choices on the menu and laid out on the table, and tell a member of staff.
	Children wash their hands. 
	Children sit at the table to eat their breakfast. 
	Children may have 'seconds' of toast or cereal. 
	Children then have free play with the activities provided. 
8.45 a.m.	All children help tidy up the toys and equipment.
8.55 a.m.	Reception and nursery children are taken to their classroom, older children go outside and then into their classes and children from other schools are taken to their taxi.
